

I-MOD CLEANING KIT

Designed for and deployed to US soldiers, this weapons maintenance kit features Ripcord®, solid rods and Breech-to-Muzzle® cleaning equipment. Includes everything needed for quick field cleaning or full breakdown back in garrison. Contained in a lightweight rectangular softpack case featuring MOLLE straps. Available in a variety of different configurations.

- Memory-Flex® cables, patches, and slotted tips for proper Breech-to-Muzzle® cleaning
- Caliber specific bronze bore brushes remove deposits and other fouling
- Chamber brushes* and rods for proper cleaning of chamber
- Ripcords® for a quick, one-pass clean
- Double-ended AP brush for cleaning hard to reach areas

**only available in 5.56mm & 7.62mm configurations*

I-MOD attaches to the front of the T-MOD Cleaning Kit. See reverse side for details on the T-MOD.
