

# FOX RIVER NSNS - COLD WEATHER OVER-THE-CALF

## ■ FEATURES

- Part No. 20078. Offered sizes: XS, S, M, L, XL
- Contents: 84% Merino Wool, 9% Nylon, 5% Polyester, 2% Spandex. 100% Berry Compliant.
- Construction: Over the calf sock. Heavy Weight Terry cushioned Foot, toe area, and shin.
- Features:
  1. High Merino wool contents (23.5 Micron Merino wool) prevents "Itch" and reacts to fluctuations in body temperature due to tiny pockets of air within the fibers that circulate heat.
  2. Strategic Heavy Weight Cushioning (whole sock) absorbs shocks for all day comfort.
  3. Spandex knit into every stitch for a memory fit each and every time.
  4. Recycled Polyester reinforced sole, eco-friendly, durable, and promotes wicking thus keeping the foot dry, warm, and blister free.
  5. Spandex arch support keeps sock in place.
  6. Mesh breather panels allow moisture escape.
  7. Linear Toe seam closes Toe by interlocking adjacent wales so it's very thin and non-irritating.
  8. Merino wool will be two plied for increased durability, and shrink treated for consistent fit.
