

PIONEERS OF CRAFTSMANSHIP

Exploration defines the American experience-defying odds, pressing onward, defining innovation. Since 1939, Gerber has masterfully hand-crafted knives, tools, and equipment, in the Portland, Oregon facility-pioneering an industry and honoring a heritage. Local ingenuity and American spirit collide within these walls-where iconic products are born, tested, and shipped worldwide.

**GERBER
GUARANTEE**

We guarantee everything we make. Because we know you seek durability and value in the gear you choose for your adventures. That's why all Gerber products are backed by a limited lifetime warranty.

*Limited Lifetime Warranty in North America only, 25 year limited warranty outside of North America. Learn more at gerbergear.com
