* NSN denotes 5 pack

FEATURES

Gloves sold only as 5 Packs

1. Elastic stretch cuff with conductive anti-static fiber provides a snug fit and protection against static electricity in combustible and explosive environments*
2. Hook and loop cuff closure
3. Storage loop at wrist
4. Breathable open weave finger gussets allow air flow, reducing sweating during vigorous activity in hot environments
5. Colorfast materials maintain original color without bleeding onto skin when sweating, or during extended use
6. Synthetic leather palm and finger materials. Touch screen capable
7. Index finger and thumb grip areas provide sensitivity and finger control
8. Ergonomic reinforced thumb crotch
9. Reinforced fingertips
10. Thermoplastic Rubber (TPR) padded knuckle panel provides flexibility with abrasion and impact resistance
11. Two-way stretch padded top with conductive anti-static fiber offers a snug fit and flexibility, and protection against static electricity in combustible and explosive environments
12. Hidden seam stitching
13. Double-needle top-seams in high wear areas
14. Padded palm provides impact and vibration protection
15. Machine washable
16. Color - Black
