

CENTER-DRIVE® RESCUE

MULTI-TOOL + SHEATH

The Center-Drive Black offers uncompromising performance through revolutionary design, now with one hand opening strap cutter. The innovative center-axis driver opens to align like a real screw driver, yielding maximum torque and rotation. No productivity is sacrificed with the addition of a 2.5" internal partially serrated blade and one-thumb opening sliding jaws. Full size, real tools - the multi-tool just got a reality check. Available w/ an M4 compatible bit set and, Berry Compliant sheath options.
