

# TERRACRAFT

When a pioneering spirit leads into the unknown, the answer to any problem is never out of reach w/ the Terracraft Fixed Blade. This full size, American made knife keeps you safe, secure, and alive. Full tang construction strengthens the extra thick S30V blade, built to take abuse that is easily sharpened and a 90 degree edge for fire striking. Ramped G-10 handle scales offer multi-grip ergonomics and lashing holes in a pinch. The American made Boltaron sheath ensures prolonged use and safe transport.
